Current employer and position:

Please answer the following questions:

1. How did you learn about Street Yoga?
2. Please describe your goal and intentions in serving on Street Yoga's Board.
3. What key knowledge, skills, and abilities are you willing to offer to Street Yoga (fundraising, accounting, legal skills, computer skills, event planning, graphic design etc.)?
4. Please list the names of the organization, dates, and a brief description of your three most recent volunteer engagements. In addition, please include any Board memberships, current or previous.
5. What do you expect to enjoy most about being on the Street Yoga Board?
6. Please describe the personal or professional goals that your involvement on the Board can help satisfy. In what areas do you want to gain experience?

I accept and acknowledge the terms of service for the role of Board member:

Time Commitment:

- Attend orientation and training sessions.
- Attend board meetings, committee meetings and an annual retreat.
- Attend all Street Yoga fundraisers.
- Give a minimum of 10 hours per month.

Participation:

- Participate in all fundraising activities (attending events, creating fundraising pages, reaching out to high level donors, etc) and make \$500 raise or donated financial contribution.
- Arrive prepared and participate in meetings.
- Direct one committee or participate in the Executive Committee (Treasurer, Secretary, Vice President)

Updated September 2014

- Serve on at least one additional committee (in addition to the one you direct).
- Review and respond in a timely manner to communications between meetings.
- Act as an advocate for the organization in the community.

Knowledge and Preparation:

- Educate myself on the organization's purpose, history, current operations, and needs.
- Keep current on the outside trends affecting this organization
- Actively engage in learning about the role and responsibility of board involvement.

Date available to begin serving on the Street Yoga Board of Directors:

I certify that the information in this application is true and complete to the best of my knowledge.
